

Dear all:

Next 26th of June a general works meeting will be held in the Crew Room from 11:00 to 14:30 Your assistance during the day to this meeting is essential as we will vote to authorise SITCPLA and its representatives to start CLA negotiations with Easyjet.

The CLA calendar is still to be confirmed, however based on the initial draft handed to us by Easyjet the starting date should be around the end of September.

Last 15th of June a meeting between SITCPLA and Easyjet took place, in this meeting the airline was unable to give us a positive answer to our LVE increase petition, as a result SITCPLA has filed a report with the labour department.

We cannot provide you with any further details at this time except the confirmation that the report has been received and it's currently being reviewed.

As always remind you that you can get in touch with us by:
