17.07.18

Dear colleagues,

It has been a while since we have updated you on the CLA negotiations when you were called to vote upon the leave proposal.

Significant progress has been achieved since, we inform you that we have reached an understanding in the key aspects of the CLA.

We are currently organising General assemblies in both BCN and PMI where we will give you full details of all the changes and improvements that would be reflected in the CLA and which **you will have to vote for**.

The assemblies will take place in PMI on the 29th of July and in BCN on the 30th of July.

A separate email with the assemblies agenda, scheduled times, location and vote delegation will be sent in the upcoming days.

Thank you for your constant support and patience during this intense last months.

If you have any doubts, concerns or questions do not hesitate to contact us.

Safe flights,

Your SITCPLA Reps.
