

SITCPLA gets two out of four reps in the works council by-elections

We would like to inform you about the outcome of by-elections to Works Council on 21st and 23rd of May 2019. As you may already know, we have achieved two Works Council reps of a total of four vacancies.

Now it's time to collaborate in order to get the maximum benefits for everyone. Beyond this, it is the moment to continue working hard, defending our rights and achieving our goals through the majority we hold in the Works Council!

Thanks to everyone for supporting us and for being part of this process. We do appreciate a lot that you use your free time to come here and vote. Also, we would like to thank all members of the electoral council. They have gone through two long and hard days, doing their best in order to ensure that elections took place in the best possible and professional way.

Finally, we would like to take this opportunity to let you know that everyday we are trying to improve our performance as Works Council members and also as union reps. We are learning from our mistakes, step by step, we are changing what is necessary to meet your expectations and to comply with your needs.

Therefore, we will continue working hard because we do not promise, we deliver!!!
