Hello everybody

As you already know the elections for the new Works Council for AGP are on the 6th of June from 11:00 to 18:00 in the crew room.

As on previous occasions we are running in coalition with our SEPLA colleagues.

The Works Council is a representation of all easyJet workers at the AGP base, whether affiliated or non-affiliated to trade unions. It's primary purpose is to ensure compliance within the workplace, that everything is carried out in accordance with local legislation, agreements, regulations and protocols.

To clarify, the current CLA negotiations for cabin crew is being done by a different negotiating table made up of 13 members from both TCP Trade Unions independent from the Works Council.

Similarly, the negotiation of the pilots agreement is totally independent from ours and takes place on another platform where only the pilots unions and company representatives are present.

We ask for your support and your vote to be able to represent you and to be able to watch over our rights and agreements.

Do not miss the opportunity to exercise your right to vote either in person in the crew room or by post.

The company has already sent an email with all the necessary information to vote by post. If you need any clarification or have any questions do not hesitate to contact us at sitcplaeasyjet@sitcpla.es

Thank you as always for your support and trust and we look forward to your participation in the elections.

Happy Flying,
Your SITCPLA Reps
