31st March 2023

CLA UPDATE

On Tuesday we sent you a message updating you on the meetings that took place during Monday and Tuesday morning. As of today we have not received any update from the Company's side

LVE ENTITLEMENT FOR SEASONAL BASES

An amendment has been made on the Leave Entitlement for the Seasonal bases until the CLA is signed. Although during the LVE bidding period and the open phase bidding you were able to book 23 days, at the moment your entitlement has been reduced to 20. To those of you who have booked more than 20 days, you might be contacted by the Leave Department. If this happens, please contact us for advice.

Once the CLA is signed, this entitlement will be increased to 23 again.

MISSED SALES

We encourage you to use the "missed sales" button on the EPOS when bars are not filled as expected.

After yesterday's meeting at the Newrest catering facility in Palma, we had the opportunity to discuss this with Angie Mullen and she told us the issue has now been resolved and you should be seeing bar loading as expected from today.

STRIKE IN PORTUGAL

As you may know, our Portuguese colleagues are striking this weekend (1-3 April) fighting for an improvement in their working conditions.

Might be possible that you get roster changes to cover or to replace our Portuguese colleagues.

We recommend you not to refuse the duty but we ask you to let us know and send us the following information in order to inform the

Sección Sindical easyJet

Portuguese unions should they need to take action for breach of the right to strike:

- Date
- Flight Number and route
- Name and Crew Number

NEW SICKNESS PROCEDURE

On the 1st of April, an important amendment enters into force that will simplify the procedures related to Sick Leave. From that date, the doctor that issues the medical report or confirmation (partes de baja, de confirmación y de alta) will give you only a copy of it and will send the copy to the Company through the Seguridad Social system.

Therefore you are no longer obliged to provide the Company with these documents.

If you have any questions, do not hesitate to contact your base reps.

Wishing you a good weekend,

SITCPLA Reps
