Dear Members

We hope you all enjoyed the Christmas period and we wish you a very Happy New Year.

Monthly Meeting

We have our monthly meeting with the company next Thursday 18th January where we plan to ask more about the BCN headcount issue and question the data they used to come up with the compensation payment.

If there's any topic you would like us to raise at this meeting, please let us know.

Seasonal Bases SEPE Issues

We have helped a few members resolve issues with SEPE over the last weeks, mostly with incorrect information on the Certificado de Empresa.

If you are having any problems and need our help, feel free to contact us on the WhatsApp number and we'll be there to assist you.

Leave Open Phase

The final Spanish base to enter the open phase bidding will be ALC next Monday 15th January at 1500Z (1600h Spanish Local) for all crew transferring to ALC this summer.

We wish you all a great weekend.
