

23rd of August 2024

## **CLA Survey**

We have been really pleased with the response to the CLA survey. Remember, you still have time to give us your ideas and priorities ahead of the next negotiations before the survey closes this Sunday. We really value your feedback.

## **Communication with the Company**

For any work related communications, the company should contact you via your work email. If they message via WhatsApp or personal email, please let us know as this practice is incorrect.

## **New Routes**

Some information has reached us via X (Twitter) of new frequencies on routes from BCN for Summer 2025. We haven't been informed about this and will be requesting further details about the planned programme for all Spanish bases at the monthly meeting with the company next week. We have also been promised an update on the Winter programme for BCN which we hope to share with you.

Have a great weekend
