Dear Members

This week we want to give you an update on the SITCPLA Team and contact details should you need our help.

The most efficient way to contact us is through the general email address ***sitcplaeasyjet@sitcpla.es*** to which all reps have access. That way if your base reps are flying or on leave, one of the other reps will pick up your issue.

We all in contact with each other every day working closely with each other to support one other and our members from across all bases. Some reps have more experience and specific areas of expertise so we have a close relationship to try to provide the best service for our members.

Individual contact details for all reps can be found below:

To protect the privacy of affiliates, this is the only WhatsApp number supported by SITCPLA and individually created base WhatsApp groups are not always monitored by the reps.

Current ongoing issues we are still in discussions about are:

- Catering and Crew Food problems
- Roster changes/balance
- Payroll improvements to Supp PaySlip

We also want to mention that the CLA negotiations will recommence most likely towards the end of the year so we'd like you to start considering your priorities as very soon we'll be in contact for feedback on what's important to you in order to represent your interests at the negotiation table.

If there is anything else you would like to hear about from us, or any other concerns or issues you would like us to investigate with the company, please let us know.

Thanks for reading
Enjoy your weekend
